

# FRESHDIRTT

HEALTHCARE | GREELEY, CO

ISSUE #273

## ABOUT THE PROJECT

This healthcare provider morphed 25,000 square feet of old office space into a cutting-edge regional clinic. The project architect valued DIRTT's limitless design potential, allowing for a bright space with integrated medical equipment and technology throughout the exam rooms, physician offices, admin space and conference areas.

## SOLUTIONS

- Solid Walls
- Combination Walls
- Solid Wood Pivot Doors
- Modular Power (medical specific)

## FINISHES

- Thermofoil
- Chromacoat
